

Please print in black or blue pen, in uppercase, one character per box and all that apply.

You can change your PIR online. Please sign in to www.mflmutual.co.nz and follow the instructions.

Tax years for the Fund and most members run from 1 April to 31 March. The Administration Manager will continue to apply a PIR that you have notified until you notify an updated PIR, or Inland Revenue may advise us to change your PIR if they identify that you're on the wrong rate. If you believe Inland Revenue hasn't given us the correct PIR, you can change your PIR subsequently. It is recommended you contact Inland Revenue to discuss why you believe their information is incorrect.

It is your responsibility to make sure that the PIR being applied by the Administration Manager is one that you are eligible for in that tax year.
